This test is open to all dogs at least eighteen months of age, including purebred and non-purebred, except bitches in season, dogs suffering from any deformity, injury, or illness that might affect the dog's physical or mental performance, or dogs exhibiting signs of aggression.

All dogs must be registered with USDAA in order to compete in USDAA sanctioned events. Registration may be made concurrently with entry to this show, a form for which is included in this agility test schedule. To obtain a registration number immediately and a height card prior to the show go online to [www.usdaa.com](http://www.usdaa.com), General Information, Dog Registration. **REDUCED REGISTRATION FEE ONLINE!**

No leads, collars, food, toys or other aids or devices shall be permitted on the course at any time.

Safety shall always be of foremost consideration at all times. Handlers through entry at this event accept full responsibility for themselves and the actions of their dogs.

The Organizing Committee of an event may refuse the entry of any competitor or dog for just cause should the committee views that participation by competitor or dog would be prejudicial to the sport. However, any committee so doing must notify the competitor in writing (with a copy to the USDAA office) in anticipation of or upon receipt of entry. The notice must include the reason for refusing the entry and a brief explanation of the basis for their decision. The burden of responsibility for appropriateness of such action rests solely with the host group and its Organizing Committee.

Fault limits may be imposed in any class to which they apply at the discretion of the organizing committee and judge.

Please observe any posted or verbal regulations regarding parking and set up. If you have questions, ask a Dog on It representative.

Dogs must remain on leash at all times, except when competing in the ring. You must clean up after your dogs.

It is the responsibility of the competitor to have his/her dog ready to compete and at the ring entrance when the steward calls. Handlers and dogs should be familiar with USDAA® equipment. There will be no warm-up period before testing begins.

No entry fee will be refunded if the test cannot open or be completed by reason of riots, civil disturbances, fire, Act of God (including weather that the Organizing Committee in its sole determination shall deem unsafe), public emergency, act of a public enemy, strike or any other cause beyond the control of the organizers.

It is the entrant's responsibility to check for errors before submitting entry forms to this club. No entry will be refunded in the event of such errors or cancellation of entries after the published closing date.

Returned checks do not constitute a valid entry. There will be a \$25.00 service charge for returned checks. Payment of entry fees and service charges shall be made in cash or money order within 30 days of postmark of notice of returned check where notification is received after event date. Any fees not received within 30 days of notice will result in cancellation of event results for all classes for the registration number(s) of delinquent entry/entries. No reinstatement of results is possible, and all awards must be returned within 10 days of notification, or the dog's registration may be suspended pending restitution. Any unpaid fees or shortfalls must be paid prior to the start of the event or entry is canceled without recourse by owner/handler.

Amounts overpaid on entry fees of \$10.00 or less shall not be refunded.

All Competitors through entry at this event waive any and all rights relative to video broadcast of this event. Competitors shall have the right to videotape portions of this event for their personal use only. No portion of this event may be videotaped for commercial or other purposes.
