

RIBBON COORDINATOR (Optional DOI Trial Position)

Prior to trial:

- Inventory ribbons and request to purchase more if needed. Board will approve purchase request and assist with order if needed.
- Ribbons include USDAA and AKC placement, qualifying, ADCH/PDCH, MACH/PACH and Championship bars.

During trial:

- Set up ribbon table and restock as needed throughout the trial, maintaining a count of ribbons taken by competitors.
- Set out Results Binders where printed results and stickers can be stored and displayed. There is a USDAA set of binders and an AKC set of binders.
- Create sheet for people to list titles earned at trial.

After the trial:

- Store leftover ribbons and results binders until the next trial or event.
- Inventory and project the need for more ribbons and championship bars at the next trial.

Compensation:

- One dog for one day of trial free entry, minus fees paid to USDAA or AKC
